

**AMENDED RESOLUTION CREATING THE LOVELOCK VALLEY WEED
CONTROL DISTRICT**

No. 22-04-04

WHEREAS, on January 5, 1970, after proper notice and public hearing, the Board of County Commissioners resolved to create the Lovelock Valley Weed Control District (the "District"); and

WHEREAS, by resolution, the District comprised all public and private lands classified by the County Assessor as cultivated, wild hay, meadow, pasture, and grazing (i.e., Agricultural Lands), within the Pershing County Water Conservation District and other areas of the County; and

WHEREAS, the many parcels within the District previously classified as Agricultural by the County Assessor are now classified residential, which would remove those parcels from the District; and

WHEREAS, removal of these parcels will significantly reduce the District's funding and curtail its ability to eradicate noxious weeds in the Lovelock Valley; and

WHEREAS, the Board of County Commissioners desires to maintain the original boundaries of the District and retain within the District those parcels previously classified as Agricultural.

NOW THEREFORE, BE IT RESOLVED AS FOLLOWS:

1. The Lovelock Valley Weed Control District shall continue to exist as established on January 5, 1970, subject to the exclusion of the following lands:

Section 25, Township 25 North, Range 30 East.

ATTEST:

Clerk of the Board
